The How to... Guide

How to Replace a Lost or Stolen Birth Certificate

To obtain a Florida birth certificate, contact your local health department's Vital Statistics office (see listing under "Medical Assistance- County Health Departments"). Typically, certificates cost less if you order them from the county in which you were born, but any Florida health department can order a certificate from any other county or provide you with the necessary contact information. To obtain out-of-state birth certificates, call (800) 255-2414. For a list of agencies that might be able to help pay for the cost of the document, please see the "Financial Assistance" heading in this directory.

How to Replace a Lost or Stolen Social Security Card

To obtain a replacement social security card, stop by the local Social Security Administration office and complete an application (see listing under "Social Security" for information on your local office). The card is free, but you will need to bring either an original or certified copy (no photocopies) of some form of identification. For more information, call (800) 772-1213 or look online at www.ssa.gov.

How to Obtain or Replace a Photo I.D.

You can acquire a State of Florida photo identification card at your local Department of Highway Safety and Motor Vehicles office (see listing under "Photo Identification" for information on your local office). The cost for an original or replacement I.D. card is \$25.00, and you will need to bring two forms of identification. A new driver's license is \$48.00; a replacement is \$25.00. If the license was stolen, however, and you file a police report and bring a copy of the report to the office the fee will be waived. Contact your local office or go to www.gathergoget.com to find out what documentation is required to obtain or replace a photo I.D. or driver's license. For a list of agencies that might be able to help with costs, please see the "Financial Assistance" heading in this guide.

How to Apply for Public Assistance (Food Stamps, Medicaid, and TCA) and Unemployment Benefits

To receive public assistance funds such as food stamps, Temporary Cash Assistance, or Medicaid, you may apply online at www.myflorida.com/accessflorida or by calling the ACCESS hotline at (866) 762-2237. Please see the "Financial Assistance" section below or call the hotline for additional information on local county offices. To apply for unemployment benefits go to <https://www2.myflorida.com/fluid/>.

How to Register to Vote

To register to vote in Florida, you must be at least 18 years old and a state resident. You do *not* need to have a permanent address-- if you are currently without shelter, you will be registered within the "downtown" district, or your county's equivalent. You *do* need to specify a location where your voter registration card can be mailed to or picked up, and you must be able to provide some form of identification. For further information, go to <http://election.dos.state.fl.us/gen-faq.shtml> or contact your local Supervisor of Elections office (see listing under "Voter Registration"). Registration closes on the 29th day prior to an upcoming election and does not re-open until after the election.

How to Obtain Police Clearance to Enter a Shelter

Prior to gaining entry into a local emergency or cold-night shelter in Gainesville, you will need to present police clearance to shelter staff. This is not a background check-- rather, it checks to make sure you have no outstanding warrants on your record. To get this clearance, go to the Gainesville Police Department headquarters at 721 NW 6th Street and ask for assistance at the front desk. You *must* have a photo I.D. to get this clearance.
